A place where friendships begin;
A place where romances begin;
A place where classes begin;
A place where careers begin;

Dreamers have faith, instead of distrust;
They look on to the future, instead of admiring the past.
They begin new dreams, when old one's have been conquered.

His dreams of a bigger and better Copiah-Lincoln have been shown in the expansion of many programs, the innovation of new programs, the growth in enrollment, with the completion of numerous new buildings, the renovation of many older buildings, and the founding of the Natchez Campus in 1972.

Dr. Thames has been a leader in Mississippi education since coming to Co-Lin from Belhaven College in 1968. He has served as president of the Mississippi Association of Colleges and as president of the Mississippi Junior College Association. He has served on numerous boards and committees for higher education. Presently, Dr. Thames is serving on the Governor's Task Force for Higher Education.

Dr. Billy Thames is active in the Wesson Lions Club, having served twice as president. He completed a term as District Governor of the Lions Club in 1983 and was chosen Chairman of the Council of Governors of Lions Club for the State of Mississippi for 1983-1984.

He has served in various offices for professional, service, religious, and fraternal organizations.

Eight win Hall of Fame honors

To be chosen to the Hall of Fame is the highest honor that can be given a Copiah-Lincoln Junior College student. The 1984 TRILLIUM presents six graduating sophomores in the thirty-first selection on the Wesson campus and two graduating sophomores in the seventh selection on the Natchez campus. Each was nominated in open nominations, approved by a screening committee of fellow students, recommended by a faculty committee on the basis of character, leadership, and contribution to Copiah-Lincoln Junior College. Dating back to 1954, this year's Wesson campus selection adds six to the list of 92 previous winners. The two Natchez campus selections add to 13 chosen since the initiation of the Hall of Fame in 1978.

EDITORS' MESSAGE

We, the editors, have arrived at the conclusion that this annual, in one year's time, has consumed ten years of our lives. Every minute that we were not in class, and many of those were skipped, we were working on the annual. We set aside Sunday afternoons from one until four to sleep and from four until five to consume a seven day supply of food.

Seriously though, the annual has been quite a task, but a very enjoyable one. Our sincere appreciation must go to Burlian O'Neal Walker for his patience and advice. We hope that you have realized dreams this year and that all of your dreams of life come true.
Just remember, never quit dreaming . . . .
